

HOUSTON '08

greencamp

the unconference for a green revolution

December 13 ◦ 9am-5pm
Houston Technology Center
FREE ADMISSION (410 Pierce St.)

**The Race for SUSTAINABILITY Is On
& HOUSTON IS MAKING TRACKS**

BE A PART OF IT

GreenCamp Houston'08 is an unconference, generated and organized—on the fly—by attendees, for attendees. Admission is free, participation mandatory and content welcomed. Who attends > Executives, Entrepreneurs, Inventors, Students, Change agents, Environmentally minded, Everyone, **YOU**.

Topics include, but not limited to, green/clean technology, renewable energy, sustainability, best practices in energy conservation, material reuse and recycling and reduction of both personal and business waste, including your favorite interest/insight/project. **ANY & ALL THINGS GREEN!** Ideas, engagement, creation, solutions. And yes, a FREE lunch will be served.

LIMITED REGISTRATION, learn more here: <http://greencamp.ning.com>
